INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In accordance with the provisions of 37 C.F.R. §1.56, applicants hereby submit the attached PTO Form-1449, listing references which the Patent Examiner is requested to consider and make of record in the above-identified application. Copies of the listed references are enclosed herewith. This submission is believed to be in full compliance with the requirements of 37 C.F.R. §1.98.

In the opinion of the undersigned, the foregoing references are the most pertinent of which the undersigned is aware. However, no representation is made or intended that more pertinent references do not exist.

Pat Appl No.: Not yet assigned

This submission is not an admission that the reference listed on the attached Form PTO-1449 constitute prior art against the claims of this application.

The Examiner is respectfully requested to confirm receipt and consideration of the cited references by initialing the returning a copy of the attached Form PTO-1449 in accordance with MPEP §609.

Early and favorable consideration leading to prompt issuance of this application is earnestly solicited.

In the event any fee is due in connection with the consideration of this request, the Commissioner is authorized to charge any such fee to the account of the undersigned attorneys, Deposit Account No. 04-1406.

DANN, DORFMAN, HERRELL and SKILLMAN, P.C.

REQUEST FOR LISING OF REFERENCES

Dear Sir:

Applicants in the above-identified application are submitting herewith the following documents:

- 1. A copy of Form PTO-892 (Notice of References Cited) from the great grandparent case, U.S. Application No. 08/811,873, filed March 5, 1997;
- A copy of Form PTO-892 (Notice of References Cited) from the great great grandparent case, U.S. Application No. 08/347,498, filed November 30, 1994; and
- 3. A copy of Forms PTO-1449 which were filed in the great great grandparent case, U.S. Application No. 07/877,702, filed May 1, 1992.

It is respectfully requested that the references included in the above-mentioned Forms PTO-892 and Forms PTO-1449 be listed on the face of the patent granted to the above' Pat Appl No.: Not yet assigned

identified application, in accordance with the following provision of §609 of the Manual of Patent Examining Procedure:

[T]he examiner will consider information **>which has been considered by< the Office in a parent application when examining a continuation or continuation-in-part application (See MPEP §>201.06(b)< which is not a file wrapper continuing application, and a list of the information need not be submitted in the *>continuation or continuation-in-part< application unless applicant desires the information to be printed on the patent [emphasis added].

In the event any fee is due in connection with the consideration of this request, the Commissioner is authorized to charge any such fee to the account of the undersigned attorneys, Deposit Account No. 04-1406.
